

## 11. World Congress on Alternatives and Animal Use in the Life Sciences

September 8, 2021 |

**Barbara Jozef is the winner of the 11th World Congress on Alternatives and Animal Use in the Life Sciences.**

Receiving two awards with her ground-breaking research on developing a serum-free medium for routine culture of fish cell lines: the ESTIV best poster award AND the ECOPA young researcher award both went to Barbara. Congrats on this amazing achievements!

The WC11 Award Ceremony can be rewatched [here](#).
