

Serum-Free Cultures: Why and How?

Presenters:

Barbara Jozef, PhD, Swiss Federal Institute of Aquatic Science and Technology (EAWAG)

Aline Chary, PhD, Luxembourg Institute of Science and Technology (LIST)

Webinar about serum-free medium for fish cells

March 10, 2022 |

Barbara Jozef, a postdoctoral scientist in the Department of Environmental Toxicology, took part in the joint monthly webinar "Serum-free: How and Why?" organized by the American Society for Cellular and Computational Toxicology (ASCCT) and the European Society of Toxicology In Vitro (ESTIV).

Barbara Jozef presented her latest advances on the project [Nutritional Development of a serum-free culture medium](#).
