

Successful completion of apprenticeship 2023

July 20, 2023 | Cornelia Zogg
Topics: Organisation & Staff

Nine apprentices have recently completed their training at Eawag as laboratory technicians in chemistry and biology and as IT specialists. Congratulations!

We congratulate our apprentices on their successful completion of their apprenticeship and wish them all the best for the future! A big thank you to all the vocational and practical trainers for their commitment and active and professional support!

Our new apprenticeships for summer 2024 will be available on Eawag (refline.ch) from 7 August 2023.
