

EcotoxicoMicYR: First international webinar of young microbial ecotoxicology researchers

December 14, 2021 |

Louis Carles, postdoctoral scientist in the Department of Environmental Toxicology, won the award for the best live presentation during the webinar “EcotoxicoMic for Young Researchers”.

He presented his work conducted in the [project EcolImpact 2.0](#) on the impact of wastewater on stream biofilms. Louis Carles is now invited to present his work at the EcotoxicoMic 2022 Conference (Montpellier, France, 15-18 November 2022).
