### **4. Research Projects as Leading Investigator**

2021 Wyss Academy for Nature. "Lanat 3 – Biodiversity challenges in a changing context". Co-PI. 2021-2027. 600'000CHF.  
2021 Swiss National Science Foundation. "Trapego - Transformation in Swiss Pesticide Governance". Sinergia Project. Overall project leader and principal investigator. 2021-2025. 3'040'000CHF.  
2020 Swiss National Science Foundation. "Same, same but different? Multiplex networks in Swiss and German Climate Mitigation Policy". Principal Investigator. 2020-2024. 518'000CHF.  
2019 Discretionary Funding Eawag. "Digital innovation for municipal projects – the PlaNet tool for participatory project management". Co-PI with Manuel Fischer. 2019-2021. Approx. 320'000CHF.  
2019 Discretionary Funding Eawag. "Regulating pesticide use in the tropics – a policy analysis." Principal Investigator. 2019-2021. Approx. 130'000CHF total.  
2017 CCES ETHZ. Support for the development of prototype of "PlaNet" Tool: an online network tool for municipalities in Switzerland. 23'000CHF.  
2016 SNIS Funding. "Comparative appraisal of pesticide use in tropical settings: exposure pathways, health effects and institutional determinants". Co-PI besides Swiss TPH and Eawag. 2016-2018. Approx. 500'000CHF total (50'000CHF KI's part Forschungsstiftung).  
2015 Swiss National Science Foundation. National Research Program 71: Energy Policy. "Future energy policy: the acceptance of alternative energy supply". Co-PI. July 2015-2018. Approx. 466'700CHF total (205'600CHF KI's part from Eawag discretionary fund).  
2014 Swiss National Science Foundation. The Swiss Programme for Research on Global Issues for Development (r4d programme). "Telecoupled Landscapes – Forest Frontiers in Madagascar, Laos and Myanmar". Co-PI. 2015-2017; 2018-2020. Approx. 1'700'000CHF total (112'800CHF KI's part).

- 2014 Swiss National Science Foundation. "Climate Change Extremes and Adaptation Strategies considering Uncertainty and Federalism (CCAdapt)". Co-PI. February 2015-2018. Approx. 974'925CHF total (145'620CHF KI's part).
- 2013 Swiss National Science Foundation. "Overlapping Subsystems: Identification and Integration of Fragmented Games in Swiss Water Politics". Principal investigator. April 2014-2018. 416'306CHF.
- 2013 National Science Foundations of Switzerland and Luxembourg: "Trans-boundary Water Management in Europe: the definition of appropriate management scales (CrossWater)". Principal investigator. April 2014-2018. 1,43 Mio € total project (548'088CHF Swiss part).
- 2013 Swiss National Science Foundation, Division I. "How to explain Instrument Selection in Complex Policy Processes". Principal investigator. September 2012-2016. 168'508CHF.
- 2011 Canton of Basel-Landschaft; Competence Centre for Drinking Water Eawag. "Water supply structures at the regional level". Co-PI. 2013-2017. approx. 400'000CHF (KI's part).

## **5. Supervision of students at graduate and postgraduate level**

### **PhD students (\* anticipated degree):**

- Florence Metz, University of Bern, 2016, "How to Explain Instrument Selection in Complex Policy Processes- A Comparative Network Approach of Micropollution Regulation in the Rhine River Basin", main supervisor.
- Marlene Kammerer, University of Zurich, 2018, "Policy Networks in International and National Climate Politics", second supervisor.
- Laura Herzog, University of Bern, 2018, "Cooperation of Actors in a Common Pool Resource Situation – The Case of Micro-pollutants Regulation in the Rhine River Basin", main supervisor.
- Laurence Brandenberger, University of Bern, 2019, "Relational Event Models for Two-Mode Networks", main supervisor.
- Lorenz Kammermann, University of Bern, 2019, "Alternative Energy Supply – How to Make Change Happen", main supervisor.
- Mario Angst, University of Bern, 2019, "Overlapping Games in Swiss Water Politics", Co-Supervisor with Manuel Fischer, Eawag, second supervisor.
- Anik Glaus, University of Bern, 2021, "Climate Change Adaptation in Federalist Setting – Flood Prevention in Switzerland", main supervisor.
- Ruth Wiedemann, University of Bern, 2022, "Social-psychological drivers in policy design – Pesticide Regulation" main supervisor
- Dominik Braunschweiger, University of Bern, 2022, "Local governance and effective policymaking in Swiss Climate Change Adaptation", Co-supervisor with Marco Pütz, WSL.
- Nishanka Jasiri, Institute of Agriculture of the University of Peradeniya, Sri Lanka, 2022. "Assessing Environmental Sustainability of the Rice Based Agro-food System in Deduru Basin of Sri Lanka", Co-supervisor. Main Supervisor: Sudhir Yadav.
- Martin Huber, University of Bern, 2023, "Wetlands – the social-ecological interdependencies in water management", Co-supervisor with Manuel Fischer, Eawag, second supervisor.
- Jack Baker, University of Bern. 2024, "Vertical Policy Harmonization between International Commitments and National Policy Implementation", co-supervisor with Marlene Kammerer, University of Bern.
- Simon Montfort, University of Bern. 2024, "Realizing ambitious Climate Policy", Doc.CH fellow, co-supervisor with Lukas Fesenfeld, University of Bern.
- Maiken Maier, University of Bern. 2025\*, "Food Policies in a sustainable context", co-supervisor with Lukas Fesenfeld, University of Bern.
- Annika Krüger, University of Bern. 2028\*, "Governance of Extreme Events".
- Franziska Meergans, University of Osnabrück. 2025\*, "Agricultural Policy in Germany – a comparative case study", co-supervisor.
- Member of PhD jury/opponent:** Paul Wagner, UCD Dublin, 2015; Michael Surber, UZH Zurich, 2016; Evangelia Pedridou, Mid-Sweden University, 2017; Karoliina Isoaho, University of Helsinki, 2019; Tomas Garcia de la Rosa, Graduate Institute Geneva, 2019; Nicolas Schmid, ETHZ Zürich, 2020; Raphael Klein, EPFL, 2020; Per Becker, Mid Sweden University, 2021; Nishanka Jasiri, IRRI, Indonesia, 2022; Adam Howe, University of British Columbia, Canada, 2023; Sandra Plümer, University of Duisburg, 2023, Yannick von Büren, University of Neuchâtel, 2024; Nicole Lemke, University of Lausanne, 2024.
- Master students:** Total number of supervised master students at the Universities of Geneva, Bern and ETHZ: 47; ongoing: 6. Supervised in MA programs of political science, climate sciences, environmental governance and environmental sciences.

## **6. Prizes, fellowships, distinguished memberships**

### **Prizes and fellowships**

- 2024 Member of the Academia Europea.
- 2018 Theodore Lowi Award for the Best Paper in the Policy Studies Journal. American Political Science Association.
- 2013 Swiss Academies Award for Transdisciplinary Research 2013, for Mountland CCES Project, KI's PostDoc at ETHZ.
- 2011 SNF-funded Visiting Fellow at the Centre for Environmental Policy and Behaviour, UC Davis, California USA.
- 2008 Grant by the Swiss National Foundation for the publication of my PhD thesis at Rüegger Editions.
- 2005 Grant by the Swiss National Foundation for participation in Social Science Data Analysis & Collection, University of Essex Summer School.
- 2002 Award for the best BA in Political Theory, University of Geneva.

### **Editorial boards**

- Since 2018 Editorial Board "Journal of Public Policy"
